Green Bay Fire Department  
Desk (920) 448-3293 Cell (920) 621-1933

### **Brown County Police, Fire, and EMS stand vigil for 12 hours at 9/11 Memorial**

A collaborative police, fire, and EMS vigil is planned for the 9/11 Memorial (downtown Green Bay in front of the Neville Museum) for the 10 year anniversary of the terrorist attacks. The vigil will begin with a short service commencing at 9am on Sunday 9/11. At least one person representing various departments from around the county will stand in honor in half hour increments at the memorial until 9pm. At the start of each vigil shift, a small list of names of firefighters, police officers, and EMS workers that perished in the attacks of 911 will be read. All 411 (343 firefighters and medics, 23 NYPD police officers, 37 Port Authority police officers, and 8 EMS workers) names will be read by the end of the vigil. Chairs will be available for public use throughout the day at the Memorial site.
